28	45	829	52	5,522	12	408	1	528

1. Comment. As compared with the previous week, the total loading performance remained at about the same level. The number of cars loaded for the Soviet occupation forces continued to be low as was observed in the winter of 1951/1952.

25X1

2. Comment. These data designate the number of cars loaded for the Soviets and loaded with coal according to the eight railroad district.
